AAU Delegation Attends "Caring for the Family Contributes to Upgrading Society" Seminar

A delegation of faculty members and students from Al Ain University of Science and Technology, in coordination with the Deanship of Student Affairs at Abu Dhabi campus, attended the seminar entitled "Caring for the Family Contributes to Upgrading Society" organized by the Department of Human Rights at the Ministry of Interior under the patronage of HH Lt. General Sheikh Saif bin Zayed Al Nahyan, Deputy Prime Minister and Minister of the Interior, in cooperation with the Association of UAE Women Police on the occasion of the International Day of Families. The seminar aimed to achieve humanitarian goals that ensure social stability for families, family security, and interaction among family members through consultation and mutual understanding.
