## **AAU Students Visit the Leadership Development and Creativity Center**

The Deanship of Student Affairs at Al Ain University of Science and Technology, in cooperation with the Community Engagement Committee, organized a student field trip to the Leadership Development and Creativity Center at the General Secretariat of the office of H.H. the Deputy Prime Minister, Minister of Interior. They were received by Major Dr. Omar Ibrahim Al Ali, Chief of the Competency Assessment Section at the center.

Major Dr. Omar gave students an overview of the various programs and activities offered by the center and the role of these programs in supporting the initiatives and strategies laid out by the

Ministry of Interior to achieve its vision and make the UAE one of the safest, most secure countries in the world.

The students discussed the initiatives that aim to accomplish the center's vision. They also toured the center's facilities and became acquainted with the various programs and activities at the center.
