Awareness Seminar for Future Couples

The AAU Deanship of Student Affairs in collaboration with the Abu Dhabi Judicial Department organized a lecture for would-be couples. The lecture aimed to introduce students who are about to get married to the importance and objectives of marriage and to remind married students of the foundations of marriage and how to face the challenges they may encounter.

AAU is considered the first university in the Emirate of Abu Dhabi to be targeted with this program, which shows the depth of strategic partnerships and professional relations between the two institutions.
