A lecture on "Food Safety" at Al Ain University

The World Health Day was organized by the Deanship of Students Affairs at Al Ain University of Science and Technology, based in the city of Al Ain, in cooperation with the Abu Dhabi Food Controls Authority.

Mr Abdalla Al Himani gave a detailed lecture on "Food Safety", where he began the modern definition of the Abu Dhabi Food Control Authority and the importance of vision, as well as the steps and measures to ensure food safety and health by pointing out ways to save food. He also spoke about the negative effects of poor storage, broad types of food poisoning, enablers in food poisoning and ways to avoid it.

In conclusion, Mr. Abdalla opened the door to questions and discussions and distributed a number of brochures and some gifts to the attendees.
