AAU organizes a workshop entitled "Wise Consumer"

The Deanship of Student Affairs at Al Ain University of Science and Technology organized a workshop entitled "Wise Consumer" in collaboration with Department of Economic Development.

The workshop aimed to raise the level of consumer awareness among the students and explaining their rights and duties, in addition, to show some negative behaviors that may affect the income of them and suggesting different solutions of how to get rid of those behaviors. The workshop also focused on the commercial cheating and the differences between original and fake goods in order to enable them to distinguish between them.
