An Educational and Health exhibition for Pharmacy Students at AAU

The Deanship of Student Affairs at Al Ain University of Science and Technology (Abu Dhabi Campus) organized "An Ambitious Pharmacist" exhibition, in cooperation with the College of Pharmacy and various medical organizes. The exhibition opened by Dr. Amer Qasem, AAU Vice President and in the presence of Deputy Deans and academic staff.

The exhibition included various booths designed by pharmacy students showing different medical topics, such as stroke, cancer, antibiotic resistance, depression, asthma, smoking, multiple sclerosis, and alternative medicine.

Different medical authorities have participated in the exhibition such as; Abbott Nutrition, Dr. Nutrition, Pharma plus Group, Quality Dent Medical Centre, Mezyad Medical Center,

Mediclinic Airport Road Hospital and Medeor Hospital, Where each one explained about their services, providing brochures, gifts, samples and free vouchers, as well as giving them the most important tips and instructions. The exhibition also included booths for entertainment competitions and photography.

At the end, the University honored the participating parties in recognition of their cooperation and efforts with the University.
