A student delegation from AAU visits Autistic Children on the occasion of Eid

Based on the community initiatives conducted by Al Ain University of Science and Technology, the College of Business at the Al Ain University of Science and Technology in Abu Dhabi Campus, organized a student's visit to the Emirates Autism Center to participate with them in the celebration of Eid Al Fitr under the supervision of Dr. Nuha Hamada.

The students were accompanied by Dr. Hani Al Jarrah, Deputy Dean of Student Affairs, and a number academic staffs from the university, who distributed gifts to children of Autism and played with them in an atmosphere of fun and entertainment.

The visit aims to spread joy in children's souls on the occasion of Eid, enhance their integration with the outside community, and achieve the goals of Al Ain University of Science and

Technology in interacting with the society.
