Various activities at AAU for the Breast Cancer Awareness

Coinciding with the Breast Cancer awareness month, the Deanship of Student Affairs at Al Ain University of Science and Technology organized various activities for female students at Al Ain Campus, in collaboration with Burjeel Hospital, NMC Hospital, and La Poupee Beauty Center.

The event included free consultations, mammogram screening, henna drawings, in addition to distributing gifts and give discounts. The aim of the event is to raise awareness of breast cancer and to emphasize the importance of early screening for breast cancer.
