AAU organizes several events on the occasion of the Diabetes Day

Al Hilal Student Club under the Deanship of Student Affairs, (AAU – Al Ain Campus) in collaboration with the College of Pharmacy and Mediclinic Hospital, organized an event on the occasion of World Diabetes Day under the title "Together to Challenge Diabetes."

The event included a number of activities, including; the provision of free consultations by a health educator for diabetics, free blood pressure and sugar checks provided by Mediclinic Hospital (Al Ain branch) in addition to the provision of glucose testing devices, the distribution of diabetes posters presented by students of the College of Pharmacy, and the distribution of healthy meals.

On the other side, Al Hilal Student Club in the Deanship of Student Affairs (Abu Dhabi Campus), in cooperation with the College of Pharmacy and Mediclinic Hospital, organized an awareness campaign about diabetes and its risks, presented by students (College of Pharmacy) who perform clinical training in the hospital.
