An Exciting Competition between AAU Students in a Billiards Tournament

Within a competitive entertainment atmosphere, the Deanship of Student Affairs at Al Ain University (Al Ain Campus) organized the "Billiards Tournament" in which students from various colleges participated, including the College of Engineering, College of Pharmacy, College of Business, and College of Education Humanities and Social Sciences.

The student Omar Abdel Hafeez from the College of Engineering won the championship after competing in the final match between the College of Engineering and the College of Pharmacy.

Prof. Ibtehal Aburezeq- Vice President of Development and Follow-Up, and Dean of Student Affairs, emphasized the role of extracurricular activities in enhancing students' academic, sports, and social skills, encouraging students to engage in the various activities organized by the Deanship of Student Affairs.
