Promoting Eye Health Through Regular Checkups

The Deanship of Student Affairs at Al Ain University – Abu Dhabi Campus organized a special event in collaboration with *Al Jaber Optical*s, targeting students, faculty members, and staff. The initiative came as part of the Deanship's commitment to promoting health and well-being within the university community and providing quality services that raise awareness of the importance of regular eye checkups.

The event included free eye examinations for attendees, along with special discounts on prescription and sunglasses as well as contact lenses. It also offered students the opportunity to explore the latest products and services in the field of eye care, with direct consultations provided by specialists from *Al Jaber Optical*s.

The event witnessed strong engagement from students, many of whom took the initiative to undergo eye tests and benefit from the offered discounts. It successfully achieved its goals of spreading health awareness among students, providing practical services that contribute to improving their quality of life, and strengthening community partnerships between the university

and national institutions.
