## **Lounges**

The University provides students with lounges in each campus, for males and females. Here students can take a break between classes, socialize, wait for the bus, and study. The lounges are air-conditioned and comfortably furnished to provide students with an atmosphere that encourages their various social and academic activities.

## **Mosque**

Al Ain University hosts four small mosques on campus; two for the males; two for the females. The aim of this service is to provide students with a quiet, suitable place to pray throughout the day.
