### Career Development Office

The career placement services are provided by the career development office through offering several services to students which develop some skills they need for their future career. One of these services is the Work-Study program which offer part-time jobs on campus for eligible undergraduate students.

These opportunities help to refine student's personality and acquire various skills by engaging in the practical field. The office also works on organizing lectures and various workshops concerned with how to search for a job, preparing a resume, preparing for job interviews, and other matters related to the career of the student after graduation.
