Student Activities Unit > Activities Plan

### Activities Plan (First Semester 2022 - 2023)

This unit seeks to activate the students' role in extracurricular college life by organizing events and various scientific, cultural, artistic, sports, and health activities that contribute to the student's academic and extracurricular needs, as well as the development of multiple skills leading to refine his/ her character in a positive direction. To achieve these goals, the unit ensures that students have an active role in choosing activities and participating in certain events.
